Eligio –

Could you have someone from CSU reach out to Suzanne? This seems like a great opportunity to share the Flock LPR and video camera solutions that we discussed a while back. Steve Best might be a good resource as well.

Thank you,

Dan

Thank you, Mark. I'll send out a calendar invitation to the EDC in a couple of days and will include you in it.

Hi Dan, it's nice to meet you. Our HOA would appreciate hearing more about the cameras the PD uses as we search for a better way to stop our gate from continuously being damaged. We currently have cameras, but our last incident proved they did nothing to help us with collecting for the damaged gate.

We have our Homeowners Association Board Meeting for Heritage Square on Monday March 18th at 5:30 pm. We would love to have you give us a presentation on the cameras the PD uses and the advantages of us purchasing those and having them linked to the PD will benefit us and the community.

We meet at Creations Financial and Insurance Services at 2236 S Broadway, Santa Maria, CA 93454.

Please let me know if you can plan to join us for our Board of Directors Meeting.

Thank you,

Suzanne Singh

Hi Mark,

Happy Holidays! We had spoken at Rotary about the possibility of you doing your presentation to the Economic Development Commission (EDC). Are you available to do so on January 26th from 7:30 am – 9:00 am. We meet at Allan Hancock College in Building G (Student Services) Room 106 A&B. You would have about 20 minutes for your presentation and then time for some Q & A. If so, that would be wonderful! Please let me know, also share your PowerPoint with me by January 24th so I

can have it ready for you.

Another topic we discussed was cameras and having your representative from the PD come to my HOA board meeting to talk about them and get us more informed of the option to use cameras that will benefit us and the PD. Could you let me know who I should contact to arrange for them to be at our Board meeting for March 18th at 5:30 pm

Thank you,

Suzanne Singh
